

High Performance Academy

Classes begin the week of May 14th and run for 10 weeks (excluding holidays)

Our High Performance Academy provides an opportunity for students who have shown the interest and ability to take their tennis to the 'next level'! The focus is on continued refinement of grips, spins and stroke mechanics that are foundational to the overall rate of development. Pros focus on a good balance of technical, tactical, physical and psychological areas of tennis development. A mix of feeding, fitness and rally based drills are used.

Rain Dates and Make Up Policy

The session includes 10 weeks of classes. Students must attend their classes at the regularly scheduled times. In order to maintain proper student to instructor ratios, missed classes cannot be made up on another day. If classes are rained out they will be made up at the end of the session. We have four additional weeks available and students are to keep coming at their regularly scheduled times until all 10 classes have been completed. Refunds are only granted if you cancel with at least one week's notice and are subject to an administrative fee. Once the session has started refunds are only granted on the basis of injury or moving and will also be subject to an administrative fee.
